

Hunter 4K HDMI 2.0 Splitter 1x8 4K@60

9516-HUS-SP4K108

User Manual

Product Introduction

The Hunter 9516-HUV-4KSP108 HDMI Splitter is a high-performance 1×8 HDMI distribution amplifier engineered to duplicate a single HDMI source to eight displays simultaneously with support for 4K@60Hz RGB 4:4:4 ultra-HD video. Designed for professional AV installations, it supports 18Gbps bandwidth, HDMI 2.0, HDCP 2.2, HDR10, CEC, 3D and advanced multi-channel audio formats. Its rugged metal housing ensures reliable operation and effective heat dissipation, while built-in compatibility with multiple resolutions and display types makes it suitable for conference rooms, showrooms, command centers, educational institutions, and digital signage networks.

4K

Features

- 1 HDMI Input to 8 HDMI Outputs
Simultaneously duplicate one HDMI source to eight displays.
- 4K@60Hz RGB 4:4:4 Support
Ultra-HD resolution support with crystal-clear image quality. Mixed resolution support.
- 18Gbps High-Speed Bandwidth

WARRANTY : 1 Year

If your product does not work properly because of a defect in materials or workmanship, our Company (warrantor) will, for the length of the period indicated as 1 Years, which starts with the date of original purchase ("Limited Warranty period"), at its option either (a) repair your product with new or refurbished parts, or (b) replace it with a new or a refurbished product. The decision to repair or replace will be made by the warrantor.

During the "Labor" Limited Warranty period there will be no charge for labor. During the "Parts" warranty period, there will be no charge for parts. You must mail-in your product during the warranty period. This Limited Warranty is extended only to the original purchaser and only covers product purchased as new. A purchase receipt or other proof of original purchase date is required for Limited Warranty service.
